POSSIBLE OUTCOMES

Serie A Experience

Twice a year, 24 selected players travel to Italy for a week of training and competition with pro clubs—March or December, based on availability.

Summer Experience

Groups of players will be invited to training camp in July in our Serie A professional academy in Rome featuring UEFA-licensed coaching.

Rome City Institute

Selected players will be offered scholarships to join Rome City Institute, where they'll combine an international education with the opportunity to play in our professional soccer academy in Rome.

Methodology

Our Methodology combines both technical drills and game-related situations to ensure players grow as well-rounded athletes. Drawing on insights from Italy's top Serie A coaches, this camp gives players the chance to experience elite training.
